

IDAHO FISH & WILDLIFE FOUNDATION
2024 GRANT APPLICATION GUIDELINES

Mission: To partner with Idaho Fish and Game to sustain Idaho's fishing, hunting, and wildlife heritage; and improve habitat restoration, public access, conservation education and effectively utilize its resources.

The Foundation's purpose in awarding grants is to enable new projects and efforts compatible with our mission. Eligible applicants include the Idaho Department of Fish and Game and tax-exempt organizations. Volunteer groups are required to have fiscal sponsorship and authorization via an endorsement letter by a tax-exempt organization.

Maximum Funding Request: \$10,000. A one-to-one match of Foundation funds is preferred, but not required.

Special Lonesome Larry Project: This year, we will award \$5,000 to fund a special grant with the emphasis on fish conservation and fish habitat restoration in honor of the Lonesome Larry Project. For more information:
<https://lonesomelarryproject.com/>

Your proposed project may be a stand-alone project or be a distinct phase of a larger or ongoing project. All grant funds must be expended and proposed projects or phases of **projects must be completed, by December 31, 2025.**

The Foundation does not fund projects outside of Idaho, multi-year proposals, salaries (except for contract personnel needed for projects), advocacy or fundraising activities, ongoing operating costs, or pass-through grants. Only one applicant may apply for funding. If it's a consortium, the lead applicant may apply.

Applications received after the deadline, that are missing required information, or from individuals or ineligible applicants will not be considered. Grantees with prior incomplete projects are not eligible to apply until previous grant requirements have been met by the application deadline.

APPLICATIONS MUST BE RECEIVED BY APRIL 30, 2024 (postmarks do not apply).

Grants for projects will be awarded on a competitive basis as judged by a committee of the Idaho Fish & Wildlife Foundation Board members. In addition to complying with requirements stated in the grant application documents, the committee will consider, among other criteria:

- How the project compliments and advances the mission of the Idaho Fish & Wildlife Foundation.
- The Foundation will consult with the Idaho Department of Fish and Game (IDFG) on projects, Endorsement from IDFG is encouraged.

To complete your application:

1. Type or print legibly, using 10 pt. font or higher.
2. Applications must include original or electronic signatures. You may scan and email your application.
3. Application packet may not exceed 10 double-sided pages (excluding Cover Sheet).
4. Please do not use staples when submitting hard copies.
5. Support letters must be included in your original application. Do not send separately. Foundation staff cannot make any changes to your application.
